SP2010
Desktop Phone for Skype

Skype Your Way
with Friends and Families

skype

Features

- Running the most popular Skype application without a PC
- Certified with Skype Software embedded
- Friendly User Interface for easy to use
- Good voice quality
- Supports Skype™ / Skypeln™ / SkypeOut™ services
- Simplicity D design

The SP2010P Desktop Phone for Skype is the easy to use IP phone that has Skype embedded. Now you don't even need to turn on your PC to use Skype. And, in addition, to calling other Skype users for free, you can also call ordinary phones really cheap!
